PHILOSOPHY FROM FLO

\*\*\*\*\*

Time flies when you're having fun!!! Time has really flown since I communicated with you last. Therefore, I suppose we can assume I'm having fun.

I've been very busy learning my job, learning the bureaucratic system, getting acquainted with everyone and trying to be efficient and knowledgeable in the process. This is a multifaceted position and that fact becomes more obvious to me everyday. My responsibilities to you include professional, political, personal and economic considerations.

My greatest concentration of effort recently has been at the Capitol Building. That is an untried situation for me and being a novice I stumble into all sorts of experiences. They are all very exciting, some rewarding and a few not so rewarding. I am meeting some very interesting people and making lots of new friends who will be valuable to the nursing profession in general and the Board of Nursing specifically. Since new and untried situations are exhilarating to me, I am really having an exciting time. Now is the time for you to contact your Legislators and effect the laws that determine a large part of your professional, personal and economic life. You might find it interesting and exciting to explore that if it is new to you.

I wish there were two or three of me to go around. The position of Associate Executive Director of Education is still vacant. Please pass the word and encourage anyone who is qualified and wants an interesting, exciting job to apply. There is quite a lot of travel involved, but there are those of us who enjoy that too.

I'm still eager to get acquainted with everyone. When you are in Jefferson City please come by the office or come to Board meetings so you can meet everyone. We are here solely because you are there. We can help each other and by so doing help ourselves.

See you,

Flo

**KNOW YOUR BOARD MEMBERS**  
\*\*\*\*\*

Carolyn Edison, RNC, Ed.D - Representing Baccalaureate Nursing Education:

My function on the Missouri State Board of Nursing is to represent Baccalaureate Nursing Education in this state. I see my role as interpreter and representer -- interpreter in the sense of identifying what baccalaureate nursing education is all about and representer in the sense of speaking "for" my colleagues who are baccalaureate educators. The job is both rewarding and frustrating. It is rewarding when significant decisions are made and when the input from those whom I represent is adequate. One of the most frustrating experiences is when nurses wait until decisions are made and then vehemently disagree with what has been done. Agendas are published well in advance of meetings and are distributed widely throughout the nursing community. How neat it would be if nurses (all nurses) had a desire to be informed and actively participated in the decision-making process rather than simply complain after the fact! With that in mind, please know that I actively seek your input (whether baccalaureate educators or not - but especially those of you I am specifically charged to represent) on any matter of interest to you. I promise to respond to the best of my ability. And may I add -- If or when you are asked to serve on this Board, think long and hard about it before you say "yes" but do say "yes" and be prepared for one of the most "growing" experiences of your professional life.

Carolyn Edison, RNC, Ed.D

Virginia Cook, L.P.N. - Representing Licensed Practical Nursing:

My function on the Missouri State Board of Nursing is to represent Licensed Practical Nursing. My primary concern is to protect the consumer. If there is any issue, or problem that you would like to communicate please feel free to contact me. I would like to invite you to come to Board meetings so that you can observe the Board in action first hand. It is a pleasure to serve you on the Board and I look forward to seeing some of you at Board meeting.

Virginia Cook, L.P.N.

\*\*\*\*\*  
Regular meetings are held at the Division of Professional Registration, 3523 North Ten Mile Drive, Jefferson City, Missouri, beginning at 8:30 a.m. each day, unless otherwise designated. Meetings are open to the public, except for discussion of licensure disciplinary problems. A Public Agenda is published for each meeting.

If you drive from the eastern part of the state via I-70, exit at the Kingdom City, Hwy. 54 West, State Capitol Exit. ### 1985-86 REGISTERED PROFESSIONAL NURSE AND LICENSED PRACTICAL NURSE LICENSE RENEWAL NOTICES

License renewal notices were sent to all current 1984-85 Registered Professional Nurses on March 4, 1985. If you do not receive a renewal notice by the end of March please contact the State Board of Nursing office so that one can be located for you. These notices have been sent to the address as it appears on our records in the office. Registered Professional Nurse licenses expire on April 30, 1985.

License Practical Nurse renewal notices are scheduled for mailing on March 29, 1985. If you do not receive a renewal notice by the middle of April, please contact the Board of Nursing office so that one can be located for you. These notices have been sent to the address as it appears on our records in the office. Licensed Practical Nurse licenses expire on May 31, 1985.

### \*\*\*\*\*MANDATORY LICENSURE\*\*\*\*\*

Missouri has a mandatory licensure law. Therefore, an individual may not legally practice as a registered professional nurse or licensed practical nurse in Missouri unless that person has a current Missouri license or a valid temporary work permit.

### \*\*\*\*\*EMPLOYER\*\*\*\*\*

It is the responsibility of the employer to verify the authenticity and currency of the license or temporary work permit before employment, as well as during employment. If the individual cannot provide evidence of his/her current license, the Board can verify the current status of a license. We must, however, have the certificate number in order to provide the verification.

Annual Report of the State Board of Nursing

The following information is taken from the Annual Report of the Missouri State Board of Nursing for Fiscal Year July 1, 1983 to June 30, 1984.

SECTION I-Board Activities

1. Members of the Board of Nursing met in five (5) regularly scheduled meetings during the fiscal year 1983-1984, as follows:

July 5-8	4 days
October 11-14	4 days
January 24-27	4 days
April 2-5	4 days
June 13-15	4 days

One special meeting was held March 8-9 and two (2) telephone conferences, one December 15, and one on February 10, regarding the LPN/IV Rule.

2. The Board met two (2) days for review of test items for the National Council Licensure Exams (NCLEX) to determine if questions are appropriate for beginning level practitioners, if questions are clearly stated and to rate the importance of the particular subject of each individual question.
3. Five thousand sixty-six (5,066) Newsletters were printed and mailed to schools, hospitals, nursing homes, and various agencies and organizations interested in the state of the nursing profession in Missouri.
4. The Board distributed approximately twelve thousand (12,000) copies of the NPA Chapter 335, RSMo. to schools, hospitals, nursing homes, professional organizations, agencies career and employment counselors and all candidates writing the NCLEX examinations.
5. Throughout the year the Board received and responded to twenty-eight thousand, six hundred and eighteen (28,618) pieces of mail. This does not include 60,973 renewals, most of which were handled by the Cash Receiving Room.
6. There were survey visits conducted in thirty-two (32) schools and more than one-hundred twenty-five (125) hospitals or other health care facilities around the state to determine compliance of nursing education programs with the minimum standards for both professional and practical programs.
7. At regular scheduled meetings, the Board reviewed complaints filed against nurses, reviewed applications for examination and Interstate licensure and held disciplinary hearings. The following is a summary of activity for the previous fiscal years including fiscal year 1983-1984.

**Other Board Action January 21-25, 1985**  
\*\*\*\*\*

1. LPN/IV Task Force Recommendations:

After review and consideration of the recommendations made by the LPN/IV Task Force, it was decided by the Board to send random surveys to Home Health Agencies, practicing Registered Professional Nurses and Licensed Practical Nurses in the state of Missouri for their input before a final decision is made regarding the recommendations. The Board will continue the review of recommendations from the task force at the March 6, 1985 Board meeting, and review the information obtained from the additional surveys at the April 8-12, 1985 Board meeting.

2. Presentation from the Advisory Committee for the Missouri LPN/ADN Articulation Project:

It was the decision of the Board that the Advisory Committee for the Missouri LPN/ADN Articulation modules be approved for further implementation by ADN programs.

3. Explanatory Statements/Definitions and Recommendations developed by the MONA Association Council on Nursing Practice:

It was the decision of the Board that they not endorse the statements due to the fact that the State Board of Nursing is a regulatory agency of state government and it would be inappropriate for them to do so. The statement is published by MONA and is not a statement of the Board of Nursing.

\*\*\*\*\*  
**NOTE TO APPROVED LPN/IV THERAPY COURSES**

LPN renewal licenses will contain the wording IV approved. If you have names that you need to submit as successfully completing an IV Course, please send them in to the Board of Nursing Office as soon as possible so that IV approved will show on the individuals licenses who have completed.

Also, if an approved LPN/IV Therapy Course plans on conducting the course in an institution other than first approved, please notify the Board office so we can verify that the institution is approved. Also, we will need to be notified of faculty changes for these clinical components. All changes from the original proposal need to be submitted in writing to the Board office for approval before initiation.

\*\*\*\*\*  
**NOTICE FROM THE BOARD OF NURSING  
STATE OF NEW MEXICO**

Effective March 1, 1985, New Mexico Board of Nursing will no longer issue temporary licenses "over the counter" (the day the application is brought into the Board office).

All temporary licenses requested will be processed and mailed to the endorsee approximately 3-4 weeks from receipt of the application in Board office. Therefore, nurses wishing to receive a temporary license in New Mexico are encouraged to request appropriate forms and submit the completed application fee, etc., to the New Mexico Board of Nursing office allowing sufficient time for processing.
